*Community Banking at its Best*

effective 3/23/2020

We're all in this together. For the benefit of our customers, our banking team, and our communities, we are continuing to monitor the latest news about the COVID-19 coronavirus. We are taking appropriate steps to keep the banking services you value and need available.

We have implemented more frequent cleaning and disinfecting of our facilities to keep them germ free. Our staff is actively washing and sanitizing their work areas and hands throughout the day. We are encouraging any staff showing signs of illness to stay home. Our goal is to keep our customers and staff as healthy as possible.

Please keep in mind that Online Banking and Mobile Banking can be accessed 24 hours a day along with ATM's in the Garrison State Bank and Trust Foyer and at Krause's market. A full listing of our products can be found at:
